www.movementphysicaltherapy.com

Movement Physical Therapy was established in 2011 to provide patient centered, goal directed treatment. Movement Physical Therapy was founded with the concept of educating and empowering each patient to work past physical limitations and to assist them in achieving their goals. We are compassionate about your condition and passionate about getting you better.

We understand that each condition is unique and requires individualized care and treatment and sway away from the cookie cutter big box approach to therapy. Therefore, we will provide one-on-one care throughout each physical therapy session that is tailored to your specific condition and needs.
